VACANCY ANNOUNCEMENT

Title: Project Communication Associate

Call to Action:

- Are you passionate about communication, public relations, social media and community engagement?
- Do you like working with young people and making their voices heard?
- Are you great at multi-tasking, prioritizing and continuously striving to learn something new?
- Are you a team player capable of working with colleagues of widely diverse backgrounds?
- Are you looking for new opportunities to grow and apply your creativity and technical expertise?

If so, this might be the job for you.

How you can make a difference:

UNFPA is the lead UN agency for delivering a world where every pregnancy is wanted, every childbirth is safe and every young person's potential is fulfilled. UNFPA's new strategic plan (2018-2021), focuses on three transformative results: to end preventable maternal deaths; end unmet need for family planning; and end gender-based violence and harmful practices.

In a world where fundamental human rights are at risk, we need principled and ethical staff, who embody these international norms and standards, and who will defend them courageously and with full conviction.

UNFPA is seeking candidates that transform, inspire and deliver high impact and sustained results; we need staff who are transparent, exceptional in how they manage the resources entrusted to them and who commit to deliver excellence in programme results.

Job Purpose:

The Project Communication Associate will be responsible for development and implementation of the communication strategy and action plan of the Joint Fund. The Project Communication Associate will play an important role in promoting the National Network of Youth Centers and increasing awareness on civic engagement and participation of young people. The Project Communication Associate will analyze relevant political, social and economic developments when planning, implementing projects' communication, and advocacy activities

The role of this function is to ensure a visibility and strategic communication of the Joint Fund at all levels of its intervention: policy, institutional and population level. Also, the Project Communication Associate will have to ensure an adequate communication but also an increased visibility of the youth centers, youth workers, LPA, young people as well as of the donor organizations from the project (MECR, SDC, UNFPA).
